**Dover High School Family Information Update
December 6, 2017**

The Dover High School Campus and all associated buildings will be closed on Saturday, December 9th from 7:00 a.m. to 2:00 p.m. for a power switchover related to the construction of the new building.

An email was sent to all Dover High School families on Monday, November 13th asking for your participation in a survey that must be completed as part of our accreditation with the New England Association of Schools and Colleges. It is an important part of our self-study, providing feedback on the school's strengths and areas where improvement is needed. Below is the information needed to complete the survey and we thank you for taking the time to complete this survey.

Please go to the website www.endicottresearchcenter.net. On that page you will see a blue box that states:

The Dover Police Department wishes to pass along a friendly reminder to both students and parents that the use of any handheld mobile electronic device while driving is against the law. The use of handheld electronic devices while driving causes significant distractions to the driver, and increases your chances of being involved in an accident. We ask that you do not stop to drop off or pick up students on Alumni Drive. We only want students crossing the street in crosswalks. This practice is dangerous and negatively impacts traffic flow
