

## Senior Biographies - Due November 8<sup>th</sup>, 2017

Please email your biography to [dhs.yearbook@dover.k12.nh.us](mailto:dhs.yearbook@dover.k12.nh.us) as an **attached word document**. All senior biographies must be received by November 8<sup>th</sup>, 2017 to this email. *No late or handwritten bios will be accepted.*

- Please make sure your bio is under **350 characters**. (note that spaces and special characters do count)
- Please proofread!
- Type your name at the top of your biography as you would like it to appear in the Yearbook. This will not be included in your bio, so it does not count for the 350 characters.

Things to Remember:

- Please be thoughtful about this task. Your senior bio will be printed permanently in your yearbook. This is your opportunity to leave your final personal message and impression on your fellow graduating classmates to remember you by in years to come.
- All submissions are subject to approval by yearbook staff, adviser, and administration.
- Any inappropriate references will be edited or removed.

Example:

John Doe  
"Johnny"  
Cross Country 9-12  
Football 11, 12  
"Out of the wreck I rise." Robert Browning  
Thanks for always being there Bill, John, and Carol. I'll never forget ski trip '11. High School has been an incredible journey.  
I wish good luck to all my classmates.

---

## Senior Baby/Childhood Picture - Due November 8<sup>th</sup>, 2017

If you would like your baby/childhood photo in the 2018 yearbook, please bring in one baby picture which includes the following:

- Photo with your name on the back in pen
- Photo should be no larger than 4x6
- Photo should be in color, if possible
- If you would like your picture to be returned, **please include a self-addressed stamped envelope**. If not, there's a day at the end of the year where there will be a table set up in the cafeteria where students can retrieve pictures.
- Photos can be dropped off in the CTC office to Ms. Mason. You may also attach a digital copy of your baby picture as a "jpeg" file in an email addressed to [dhs.yearbook@dover.k12.nh.us](mailto:dhs.yearbook@dover.k12.nh.us). Photos that are embedded in an email do not transfer into our program correctly, which is why we ask for all photographs to be attached as a "jpeg" file.
